

Preliminary Agenda
2007 NRHI Summit:
**“Creating Payment Systems to Accelerate
Value-Driven Health Care”**
Thursday, March 29, 2007
Pittsburgh Doubletree Hotel

Objectives for Summit

- Identify essential changes needed in current public and private health care payment systems to enable true value-based purchasing;
- Begin to build consensus among key national experts and national and regional health care payers on the desirability of these changes;
- Identify the key challenges in the detailed design and implementation of these changes, identify potential solutions to those challenges, and recommend next steps: policy changes, demonstration projects, and/or further research; and
- Recommend near-term steps that can be taken to transition toward value-based payment systems.
