

## Cindy Munn *CEO*

Cindy Munn has more than 25 years of experience in health care leadership and operations management. As Chief Executive Officer of the Louisiana Health Care Quality Forum, Munn oversees development of the strategic roadmap for the organization that supports an integrated approach to transforming health care in Louisiana. She has oversight responsibility for initiatives that include health information technology (IT), medical home development, quality measurement/analytics, clinical quality improvement, end-of-life care planning and education/outreach.

With regard to health IT, she directs the state's regional extension center and health information exchange. Munn serves on the board of the Network for Regional Healthcare Improvement as well as the TexLa Telehealth Resource Center. She holds a Bachelor of Science degree in Medical Technology from Louisiana State University and a Master of Science degree in Health Administration from the University of St. Francis in Joliet, IL.
