

LEADERSHIP. EDUCATION. CONNECTIONS.

ABOUT NRHI

The Network for Regional Healthcare Improvement (NRHI) is a national non-profit membership organization with a mission to support local leaders in their efforts to address regional health issues related to patient outcomes, care delivery, quality, and cost.

NRHI provides a platform for Regional Health Improvement Collaboratives and affiliates to convene and participate in shared learning, consensus building, and exchange of research, evidence, and best practices allowing for greater collective impact.

OUR VISION

We envision a world where local leaders work effectively together to improve the patient experience of care, improve the health of populations, and reduce the cost trend in the communities we serve.

NRHI MEMBERS

- **Address** a broad range of health and healthcare topics.
- **Believe** health and healthcare change happens locally and there is great opportunity to learn from regional variation to scale innovation nationwide.
- **Promote** healthcare cost transparency, quality, and patient experience.
