

NETWORK FOR REGIONAL HEALTHCARE IMPROVEMENT MEMBER BENEFITS

The Network for Regional Healthcare Improvement (NRHI) is pleased to provide the following benefits to its members:

- 1 Opportunities to network**
Learn from other members through educational and social events.
- 2 Regular updates**
Relevant reports from national policy experts on issues impacting regional collaboration.
- 3 Connections**
In-person and virtual events on topics of shared interest to members.
- 4 National perspective**
Senior leadership participation in regional meetings to bring national insight to local stakeholders.
- 5 Public policy briefings**
Relevant updates and key insights on federal policies impacting regional health improvement efforts
- 6 Directory**
An inventory of NRHI members showcasing their work and contact info.
- 7 Dissemination support**
Disseminate news and events through our communication channels.
- 8 Events highlight**
Details and registration links to events hosted by NRHI, members, and national organizations.
- 9 Shared services**
We offer shared services and group purchasing discounts.
- 10 Tailored communications**
The latest news, events, opportunities, and job openings tailored to our members' specific interests.
- 11 Exposure and promotion**
Members' work and priorities are given recognition at national meetings and conferences.
- 12 NRHI sub-committees**
Opportunity to engage as a thought leader and bolster the operational strength of the network and the organization.

Additional benefits for RHIC members:

- Eligibility to serve on NRHI's Board of Directors
- Preference to participate in multi-site funding initiatives
- Opportunity to serve on national Boards to represent NRHI
- Federal advocacy

The Network for Regional Healthcare Improvement (NRHI) is a national organization representing Regional Health Improvement Collaboratives (RHICs) and affiliate partners working to transform healthcare and improve the health of populations – locally and nationally.

NRHI reaches approximately 70% of the US population.

We envision a world where local leaders work together to improve the patient experience and health of populations, while reducing cost trends in the communities we serve.
