

NRHI's Elizabeth Mitchell to Present at AMA's Conference

PORTLAND, Maine. – January 9, 2015 – The [Network for Regional Healthcare Improvement's](http://www.nrhi.org/) (NRHI's) President and CEO, Elizabeth Mitchell will present at the American Medical Association's (AMA's) 2015 State Legislative Strategy Conference on Driving Transformation in Health Care. Elizabeth Mitchell will be a panelist on a session that will explore how physicians can access and use data to benefit their patients and practices.

“Now more than any time in U.S. history, physicians need meaningful information to participate in a competitive, value-based, and consumer-driven environment. Having cost and resource use is essential for physicians to lead change in their communities,” says Elizabeth Mitchell, President and CEO, NRHI.

NRHI leads numerous multi-region initiatives that provide valuable insight into how to overcome the common challenges that stand in the way of achieving high value healthcare.

About NRHI

The Network for Regional Healthcare Improvement is a national organization representing regional multi-stakeholder groups working towards achieving the Triple Aim of better health, better care, and reduced costs through continuous improvement. NRHI and all of its members are non-profit organizations, separate from state government, working directly with physicians, hospitals, health plans, and patients using data to improve health care.
