

# NRHI Webinar: Implementing Bundled Payment: Learnings from Early Successes and Failures

# Network for Regional Healthcare Improvement (NRHI)

- A national organization representing over 30 member Regional Health Improvement Collaboratives (RHICs)
  - Non-profit, non-governmental agency
- These Collaboratives foster collaboration across all healthcare stakeholders
  - Providers
  - Payers
  - Employers
  - Consumers

**A new platform that connects healthdoers and trusted groups to accelerate health improvement.**

## Peer-to-Peer Tools:

- Shared Learning Platform
- Virtual Events

**Collaborative Health Network (Members Only)**

**Welcome!**  
The Collaborative Health Network is a shared-learning platform to connect with peers, learn, and access recommended resources.

The beta phase of the Collaborative Health Network launches at the RWJF ALIGN Summit on November 14, 2014 and will continue by invitation-only through March 2015.

**Policy recommendations to improve performance measurement**

Topics: [Transparency](#) [Performance Measurement](#) [Payment Reform](#) [patient reported outcomes](#) [Urban Institute](#) 10 Dec 2014

**Elizabeth Mitchell** Collaborative Health Network (Members Only)  
Thoughtful piece on performance measurement with some sound recommendations. We strongly support the move to measuring outcomes - particularly patient reported- and the emerging recognition of the role of transparency in accountability and payment. The emergence of regional health
